RE: Energex Petroleum (USA) LLC  
Underground Injection Control (UIC)  
Permit Application No. MI-125-2R-003

Dear Mr. Jann:

Regarding the Energex Petroleum (USA) LLC permit application No. MI-125-2R-003 for the proposed Lanphar 1-12 injection well, Energex wishes to withdraw its application at this time and will resubmit the complete application once a fully-funded, financial assurance mechanism has been prepared.

If there are any questions do not hesitate in contacting Duncan Hamilton at (226) 238-0296 or by email to [hamiltongeologicalservices@outlook.com](mailto:hamiltongeologicalservices@outlook.com).

Sincerely,

Peter Bilodeau,  
Chief Executive Officer
